## Village of New Paltz Affordable Housing Board

The Village of New Paltz has affordable housing in its future. Your eligibility can be certified if you submit these forms now.

Under the Village of New Paltz Affordable Housing Law (Village Code §132) Qualifying Developments [new developments of 10 or more dwelling units] must set aside 10% or more of the units as affordable housing for rental or purchase. Income eligibility must be certified by the Affordable Housing Board. You do not need to be a resident of the Village of New Paltz to apply for an affordable home or apartment.

Actual living units will not become available until the new qualifying developments are completed. As of now, only one comprising two affordable apartments has been completed, and a second development including five affordable apartments is currently under construction.

Eligibility for RENTALS: Applicant's income must be no more than 60% of the Area Median Income (AMI) adjusted for the number of people in the household. Eligibility for HOMEOWNERSHIP: Applicant's income must be no more than 100% of the AMI.

The income guidelines are based upon "Area Median Income (AMI) for the Kingston Metropolitan Statistical Area (MSA) which includes Ulster County" as published annually by HUD.

People in Household (2023)	1	2	3	4	5
Rental (60%) Income Limits	\$46,920	\$53,640	\$60,360	\$67,020	\$72,420
Homeownership (100%) Income Limits *please call our office for amounts	*	*	*	*	*

\*Effective 4/17/2024

These numbers will be adjusted yearly to reflect changes in the economy. You may periodically be notified to update your information to confirm your eligibility. You will receive further information about application procedures at that time.

The items in question (F) are the priorities listed in §132.09 of the Village Affordable Housing Law.

If you are interested in rental or home ownership under the Village Affordable Housing Law, here are some good reasons to apply for certification NOW.

- Getting numbers of completed applications will build momentum for the future success of the law, and encourage construction of new housing opportunities to serve the community.
- The more we know about our applicants' situations, the better we can contribute to the realization of this forward looking law.

For assistance filling out this form, please call the Clerk's office at (845) 255-0130 to make an appointment. Spanish translation of these materials is available.

This certification is for future housing to be built under the VONP Affordable Housing Law only. To find presently existing affordable or subsidized housing, contact the Clerk's office for referral to other resources.
